YOUR SPECIAL ATTENTION is called to the following:

This permit is granted on the express condition that said sign(s) shall in all respects, conform to the ordinances of this jurisdiction including the Zoning, Building, Electrical and Sign Ordinances. These ordinances regulate the construction and use of signs, and this permit may be revoked at any time upon violation of any provisions of said ordinances.

Illuminated signs are required to have an Electrical Permit accompany this permit.

The Department reserves the right to reject any work which has been concealed or completed without first having been inspected and approved by the Department in accordance with the requirements of the various codes.

Any deviation from the approved plans must be authorized by the approval of revised plans subject to the same procedure established for the examination of the original plans. An additional permit fee is also charged predicated on the extent of the variation from the original plans.

Permits are not valid if construction work is not started within six (6) months from the date permit is issued.

Please notify this department upon completion of the work.
